From ASA Clubs who have not submitted their annual renewal by the 28 February become suspended from Swim England until such a time as this information has been correctly completed and received by Swim England.

This means that the club will no longer benefit from the insurance cover and its members will not be eligible to take part in forthcoming competitions and events.

In addition, for any club failing to send in its annual return and appropriate fees payment by 28 February an additional fee of 10% of the club's previous year's membership fees or £50 (whichever is the greater) will be charged.

Obviously the club, do not wish to be suspended and we do not want any swimmers to miss any competitions. We kindly ask that you stick to the deadline we are requesting. There are, lots of information that needs to be given to ASA and this takes some time.

Club deadline: 1st February 2019
