

Morpeth Amateur Swimming Club

09/11/20

We are inviting swimmers to apply for the upcoming position of Club Captain.

Applicants will be invited to participate in a short interview via Zoom which will assist in the selection process. The selection panel will then make a recommendation to the Committee for appointment. The appointment will be until the end of the current swimming season.

The Club Captain will hold current Morpeth Amateur Swimming Club memberships and can be of any age if they demonstrate the maturity to carry out the role. They will be appointed to the position based on their ability to demonstrate the following behaviours:

1. Ability to liaise with and take directions from coaching staff.
2. Commitment to be involved in and attend at least 80 percent of training sessions.
3. Regular attendance at Level X competitions and some away galas should we return to 'normal' competition next year.
4. Demonstrate the potential for excellent leadership skills, the ability to develop a rapport with swimmers and to lead by example.
5. Ability to communicate with other swimmers, encourage good conduct and sportsmanship and to acknowledge all swimming achievements.

The Club Captain, along with all Club members, is bound by the MASC Code of Conduct and is expected to abide by these rules at all times.

Expressions of interest should be emailed to Becki McGuire - coach@morpeth-asc.org.uk

Closing date: 16th November 2020
