

English Summer Championships

Ponds Forge pool in Sheffield 31st July - 4th August 2019

Another busy week at the pool for Morpeth ASC at the English Summer Championships.

Richard Butterworth qualified for the 15yrs 100m Backstroke. This was Richard's first experience at National level. He swam a PB in his heat only just missing out on the final. This was invaluable experience for Richard going forward to next season.

Libby Freeman qualified for the 12/13yrs 200m Freestyle, 200m Butterfly and 800m Freestyle. Some great swims over the week! Libby's highlight was when she managed almost a 3 second PB in her 200m Butterfly heat, putting her as fastest qualifier for the final. The final saw Libby swim a fantastic race with great underwaters and gutsy finish meaning a further 3 second PB in 2:23.52 and **English Champion!**

Well done to both Libby and Richard!
