

Morpeth ASC Return to Training

Fees

Morpeth ASC will return to training on Monday 27th July and therefore we are no longer able to offer reduced fees.

The new swimming programme will look very different and swimmers may get less time in the pool than they did previously but we will still provide a quality training programme. It would be unrealistic for swimmers to get back in the pool and do the same amount of swimming as they have previously but please be assured that Head Coach Becki McGuire is making plans to get all swimmers back up to full training over a period of time.

The new programme has been designed around guidance and rules laid down by Swim England and Active Northumberland whilst providing the best we can for our swimmers in these unusual circumstances. Unfortunately, we have to accept that we can have fewer swimmers in the pool at any one time but at the same cost to the club. As you will have all experienced, we are in an ever changing situation and find ourselves having to make and accept many changes. We are unable to say how training will look in four weeks, four months or if our outgoings will remain the same.

Squad structure is no longer in place and swimmers are now in groups. This will be regularly reviewed.

Full fees will return on 27th July 2020.

A one off 'top up' payment is requested for July as it is during this month that we return to training (this does not apply to those who have continued to pay full fees during lockdown or those who are under 8 years old).

Standing orders will need to be changed before the 1st August so that the correct fees are paid that month (this does not apply to those who are under 8 years old in August)

We appreciate that this is short notice, but we have had to move very quickly in order to get us back in the pool. We are one of the few clubs in the region to achieve this.
