

Dear parents,

Some fees info to follow on from Lesley Kennedy's and Becki's emails today.

Firstly, nothing extra to pay if

- ✓ your swimmer is **under 8** → please continue with the reduced lockdown subs for now
- ✓ you have been paying **full fees during lockdown** → please check if your August standing order is still correct for your swimmer's group
- ✓ you have enough remaining **club credit** → please email me at treasurer@morpeth-asc.org.uk if you are unsure what you have and what you owe

Payment options for the end of July top-up and the new August subs:

OPTION 1

Change your standing order for August and pay the end of July top up fee as a one off (perfect if you have no credit).

OPTION 2

Leave your standing order in place for now and make one single combined top up payment covering both July and August (you may prefer this if you have credit or find it difficult to change your standing order)

End of July top-up

+

August top up (to make up the difference to full subs)

→ Any **Credit** you have can be redeemed at the same time

Sibling discount

This will resume in August. Every sibling of the first swimmer gets a £10 discount as in the past.

Don't hesitate to ask any questions,
regards,

Andreas Leja
